
Mentoring for Migrants

Facts

- Established in 2008
- Mentors from the business community support the integration of migrants in the labour market.

Examples of the outcome of a mentoring partnership

- Development of a career plan
- Establishment of contacts
- Advice for job applications
- Developing the mentee's confidence in his/her own strengths
- Establishment of a business plan

Participation requirements

- Immigrant background
- Graduated from high school, completed apprenticeship or higher education
- Unlimited access to the labour market
- B1-german level at least
- A stay in Austria for a maximum of 10 years

Tools a mentor can offer his mentee

- Development of potentials
- Change of perspective
- Motivation
- Self-confidence
- Reality check

Results

- Nearly 1.950 mentoring pairs since 2008
- 539 people wanted to attend in 2017/2018
- In Vienna, Lower Austria & Burgenland 116 persons took part.
- Penetration rate: one third.
